

**Problem:** Too many slings needed for different lifts

**Solution:** Lift-All Grade 100 *Adjust-A-Link*<sup>™</sup> Chain Slings

## Benefits:

Save money and save time by replacing a wide variety of slings with the one sling that can do it all... the Lift-All ***Adjust-A-Link*** adjustable chain sling. Adjust chain lengths easily for one or two leg and basket lifts. Uses Grade 100 chain which is approximately 25% stronger than Grade 80 chain, allowing you to lift more with a lighter sling. Grade 100 chain is tougher, so it will last longer. No need to waste time sorting through various slings looking for one that will do the job... just pick up your ***Adjust-A-Link*** and keep going!

## Pricing:

For substantially less than the cost of a Double Adjustable chain sling, you can have the sling that does it all...

the Lift-All *Adjust-A-Link* Adjustable Chain Sling.
